

# Souderton Area School District Food & Quarter Drive

Souderton Area School District and Keystone Opportunity Center are teaming up to fight hunger. March 5-9, we will be collecting food, and household items to share with those struggling in our local community. Please see the note below for the specific items your school is collecting.

New this year is our quarter drive. We invite you to decorate a pint milk carton and use it to collect quarters. Collect as many as you can! All the quarters collected will go to helping local families who desperately need it. This is a chance for you to make a big difference in the lives of your neighbors who are facing challenges and need help.

***Thank you for sharing with our  
neighbors who are in need!***

**Salford Hills  
Elementary School**  
(When: Mar. 5-9, 2018)
