

2016-2017 HSA Board Members

How To Be Involved In HSA?

It doesn't take a huge time commitment to be involved in HSA. You can volunteer to help out during an event or assist in organizing one. You can help out in your child's classroom or be a field trip chaperone.* You can sign up for events through the "Hands Across the District" sign-ups on-line, or contact a board member.

*As of 2014 Souderton Area School District requires a Criminal and Child Abuse background check before volunteering. This only needs to be done once while your child is at Souderton School District.

Please contact Judi Landis, Building Secretary jlandis@soudertonsd.org or 610-287-9197 for questions.

Why Be Involved?

Research shows that students whose parents are involved in their education have better grades and fewer discipline problems. When you're involved in the school, it is also easier to form relationships with teachers and other parents. We promise that the time you volunteer will be rewarded by the enjoyment your child receives from your efforts.

Welcome to
Salford Hills
Elementary School

Welcome to the Home and School Association

The Salford Hills Home and School Association (HSA) is a parent organization whose purpose is to promote a positive relationship between the families of our students and the school staff to foster the best possible learning environment for our children.

As a parent or guardian of a Salford Hills student, you are automatically a member of our organization. We invite and welcome you to attend the monthly meetings, which are usually held on the 2nd Tuesday evening each month, at 7PM. These meetings are to keep you informed about Salford Hills and a speaking series given by our teachers and principal. Babysitting is provided **free of charge** at the meetings.
